

# Poly Jerricans

A full range of poly jerricans is stocked by Patrico in sizes from 1 litre up to 15 litre. They are available in natural, white, blue, and black pigmentation with other colours available to order. All have moulded in handles and a choice of standard or tamper evident screw necks. Child resistant and vented screw caps can be supplied if required.

The 1 litre, 2.5 litre, and 5 litre sizes can be used in conjunction with a fibreboard carton to form a (H) approved combination pack (see (H) approved cartons).

Free standing (H) approved jerricans are available in 2.5 litre, 5 litre, 10 litre and 15 litre sizes for (H) Group 2 for liquids.

Jerricans can be printed to your own design, details on request.

***For more information on the above products please contact our sales office on 01684 299212.***
