

Tinplate Lever Lid Tins

Available from stock in the following capacities, 125ml, 250ml, 500ml, 1 litre, 2.5 litre, 5 litre, and 10 litre. The 250ml, 500ml, 1 litre, and 5 litre are available with both plain and white external finish, and plain or lacquered internal finish. The 125ml and 10 litre are only available with plain external and internal finish.

Plastic handles are fitted to the 2.5 litre and 5 litre tins. The 10 litre tin is fitted with a metal handle.

Spring securing clips (see picture opposite) are available for lid security on all sizes if required.

For more information on the above products please contact our sales office on 01684 299212.
