

Dear Patricio,

Thank you for donating £320 to enable us to go to the Cheltenham Science Festival. In my group, I made slime, a clay square, watched how erosion affects river banks, learnt about energy and watched Greg Foot give a talk about Everest.

Thank you,
for a contribution,
Thank you,
for your donation.

Thank you,
for letting us have fun,
Thank you,
A big ton.

Thank you,
for letting us learn about a jet,
Thank you,
for our activities which were set.

Yours sincerely,

Sophie.
